IN RE: GRAND RIVER MUTUAL TELEPHONE CORPORATION	DOCKET NO. TF-01-315
---	----------------------

ORDER APPROVING CHANGES TO EXCHANGE BOUNDARY MAP

(Issued November 26, 2001)

On October 15, 2001, Grand River Mutual Telephone Corporation (Grand River), filed with the Utilities Board (Board), a request to change the exchange boundary map for the Blockton, Iowa, exchange. The filing has been identified as TF-01-315.

The Board will approve Grand River's proposed changes to the Blockton exchange boundary. The Board finds that the change is reasonable since Grand River has indicated that the proposed changes would affect only one customer, Swine Graphics Company, and that the boundary change was initiated at the request of that customer. The exchange boundary changes will allow all locations of Swine Graphics' contiguous property to be served by the same local exchange telephone company. In addition, the Board notes that Grand River's filing of October 15, 2001, concurs with a subsequent filing submitted on November 5, 2001, by Frontier Communications of Iowa, Inc., identified as TF-01-340, which describes the proposed revisions for the adjacent Bedford, Iowa, exchange boundary.

Grand River's request merely changes the boundary of a current exchange covered by Grand River's certificate. Therefore an amended certificate is not needed.

IT IS THEREFORE ORDERED:

1. The request of Grand River Mutual Telephone Corporation filed on October 15, 2001, to change the exchange boundary map for the Blockton, Iowa, exchange is granted.

2. The proposed changes to the Blockton, Iowa, exchange boundary, identified as TF-01-315, are approved effective with the issuance of this order.

UTILITIES BOARD
